Request for Proposals – Responding to Questions (New!)

Your Primary Contact will receive notifications about questions being posted related to proposals submitted in e-CImpact. To confirm who the Primary Contact is at your agency and that complete information has been provided, it is recommended you check your Primary Contact information.

Once logged in, select “Contacts”.

The names and contact information for all individuals associated with your agency will appear. The Primary will be acknowledged where a ‘Yes’ appears under the ‘Primary?’ column.

The Primary Contact may be modified by selecting the ‘Primary’ box in at the top of the profile. Note: there can only be one individual per agency designated a Primary Contact.

Note: See page 37 of this e-CImpact Training Manual for additional information regarding User Profiles.
Reviewing Questions

As questions about the submitted proposals are sent to each agency, two things will happen:

1) The Primary Contact will receive an email from the e-ClImpact System Administrator with this type of information:

Dear Delight,

Your response is requested to the following question regarding Funding and Contract Management - Ready by Five 2022-2023 Cohort - Ready by Five Application for 2022-2023 Funding:

Agency: *Test Profile 2
Program: Healthy Development
Subject: Partnership
Question: How many OB/GYN Offices are referrals coming from?

Comment: 
Thank you -

First Steps Kent
https://www.firststeppkent.org/

2) All users may log in and see that the questions will be visible to all registered contacts under the ‘Questions and Answers’ link. All users will be able to contribute answers to questions.
Submitting Responses to Questions

All questions will be posted in this location. Answers may be reviewed and updated by all agency users. If your agency submitted more than one proposal, be sure to note what question is assigned to each proposal by noting the program name listed in each question and additional details provided in the content of the question.

Step 1: All users may access and respond to a specific question by clicking the “Respond” link next to the corresponding question.

Step 2: Include your agency’s response in field provided

Step 3: Click ‘Save and Return to Previous Page’ to submit your answer. Your answer has been submitted!
Submitting Quarterly Reports Through e-CImpact

The quarterly report is broken down by sections: services, parent satisfaction surveys, and narratives. There is also an ability to attach documents or files. Below is a step-by-step guide on how to complete your quarterly report in e-Cimpact.

1. Login to your agency and choose the “2022 - Quarter One Report” option in the Apply/Report section under the appropriate cohort, 2021-2022 or 2022-2023. This link will change to correspond to future quarters.
2. Start by selecting the “Quarterly Report – Services” link to fill in your program’s numbers. Please note, refer to the table(s) in your Service Provider Agreement or amendment, for year 2021-2022. These are found in Exhibit A, section 2, “Individuals to be Served” in the Service Provider Agreements. The typical table is broken down by “Individuals Served” and “Number of Encounters” but refer to your specific contract or amendment as these indicators are not universal. See example below:

<table>
<thead>
<tr>
<th>Service</th>
<th>Number of Individuals to be Reached through Outreach</th>
<th>Year 1</th>
<th>Year 2</th>
</tr>
</thead>
<tbody>
<tr>
<td>Outreach, Screening and Navigation Services</td>
<td>Number of: Individuals Screened</td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td>Year 1</td>
<td>50</td>
<td>100</td>
</tr>
<tr>
<td></td>
<td>Year 2</td>
<td>100</td>
<td>100</td>
</tr>
<tr>
<td></td>
<td>Number of : Individuals Receiving Navigation</td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td>Year 1</td>
<td>20</td>
<td>40</td>
</tr>
<tr>
<td></td>
<td>Year 2</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

3. Select the “Create a New Service” link and fill in the service for your table. This service will be what is on the left side of your Service Provider Agreement’s number of individuals and encounter table.
4. Input your result indicators. The result indicators can be found in Exhibit A, section 2, “Individuals to be Served,” section in your Service Provider Agreement.

To add additional result indicators, select “Save My Work and Add Another Result Indicator.”

When you are on your last result indicator select “Save my Work and Continue.”
5. When you have completed entering your result indicators for the service, input the relevant numbers for this quarter and the year-to-date number.

These numbers you are expected to meet for the year can be found in Exhibit A, section 2, “Individuals to be Served,” in your Service Provider Agreement.

You will also be given an opportunity, in a narrative box, to explain the numbers.
6. Mark your work as saved and complete. If you have another table to fill out, you can create another by selecting the “Create New Service” option at the top. Once finished with this section. Mark your work as saved and submit for that section.

7. Proceed to the “Parent Satisfaction Surveys” section. For this section, in the appropriate quarter, fill out the column. You will put how many total surveys you received and then break them down by the categories.
8. The next section is the narrative section. Please respond to all questions. Click “Save and Mark as Complete” when done.

9. The last section is for relevant attachments. There are eight spaces for documents or files. If you have no attachments, please go in and “Save/Upload Attachment(s) and Mark as Completed.”

10. Once all your sections have the status of “Completed / Ready To Submit”, you are able to submit your report.
